

YOUR KESIMPTA® DISCUSSION GUIDE

Talk to your doctor about your options.

Only you and your doctor can decide if Kesimpta® should be part of your treatment. They can answer all your questions and go over this medication with you in detail.

Here are a few simple questions to ask your doctor:

1. Could Kesimpta® be a good treatment for me?
2. What kind of patients can benefit from Kesimpta®?
3. How does Kesimpta® work?
4. How should I take Kesimpta®
5. Can I take Kesimpta® myself, or does it need to be administered by a doctor?
6. How is Kesimpta® different from other medications?
7. What factors should I think about when choosing a medication?
